Re: Form Approval

The Vermillion County Commissioners passed the attached resolution concerning usage of forms for the Vermillion County Highway Dept..

We are also requesting to be authorized to use the forms and systems provided by GFC Charts program. As we believe these forms have been approved by the State Board of Accounts previously. Enclosed is a list of other counties that are currently using this program.

The Vermillion County Highway Dept. will notify you in writing if desiring to discontinue use of the system approved. Any forms that are not in an inclusive approved package would still need to be approved by your office.

Tim Wilson, President County Commissioners

Paula Neild, Highway Bookkeeper
