WHEREAS, the Vermillion County Council (the "Council") is empowered by I.C. 6-1.1-12.1 to approve petitions for real and/or personal property tax abatements; and

WHEREAS, the Council desires to streamline and organize the local procedures of applying for and receiving tax abatements so as to insure consistency and uniformity in abatements as well as for the purpose of creating a single contact point for initiating and obtaining information concerning abatements.

IT IS, THEREFORE, RESOLVED AS FOLLOWS:

- 3) The VCEDC shall establish procedures for considering and reviewing abatements and shall create general guidelines for the public concerning abatements.
- 4) The VCEDC shall also assist those seeking an abatement by preparing all documentation necessary to consider and grant an abatement including, but not limited to, SB-1 forms, petitions requesting abatements, designating and confirming resolutions, target area resolutions, required public notices and Abatement Calculation Agreements. The VCEDC shall further assist those seeking an abatement by arranging for the publication of required notices related to the abatement.
